ENGINEERING DEPARTMENT.

GOVERNMENT OF MYSORE, ELECTRICAL DEPARTMENT.

Notification dated 23rd November 1932.

Sealed tenders will be received in the Office of the Chief Electrical Engineer up to 2 P.M. of the 20th December 1932, for conveying materials required for use on the Transmission Lines in connection with the following works :—

1. Remodelling the Kolar Transmission Lines, between Sarjapur and Kolar Gold Fields.

2. Remodelling Telephone Lines between Sivasamudram and Kolar Gold Fields. The Telphone Line is divided into three sections.—

(*a*) 'S' Section between Sivasamudram and Kankanhalli.
(*b*) 'M' do Kankanhalli and Sarjapur, and
(*c*) 'K' do Sarjapur and Kolar Gold Fields.

Each tender must be accompanied with a deposit of Rs. 200 for item I and Rs. 50 for everyone of item 2.

The materials will have to be carted from Bangalore, Malur, Bowringpet, Kolar Gold Fields, Maddur, Channapatna, and Closepet Railway Stations and such other Stores of the Electrical Department at Bangalore, Sivasamudram, etc., to the work-spots on the Transmissions Lines and the released materials from the work-spot back to Stores.

The rates to be tendered shall be in the following form and should be entered both in words as well as in figures. When once the tender is accepted, no special rates will be allowed on any representation for special consideration. The contractor may use either country carts or lorries for the conveyance of the materials, but he will be paid on the unit basis referred to below.—

	Details	Unit	Rate per mile	
			By Road	Cross-Country
1	45 and 40 feet creosoted Baliga poles ...	Per pole.		
2	Suspension Insulators crates of six units each.	18 crates.		
3	All other materials such as Guy wire 7, strand 5/16 and one odd copper wire in coils cross arms, S. M. Rails, steel poless clamps, etc., to be paid only on weight basis.	1,500 lbs.		

The Chief Electrical Engineer is at liberty to accept one or more tenders as he deems fit and reserves the right to reject any or all the tenders without assigning any reasons therefor. He is also at liberty to order the transport of materials by the Departmental Lorries, hand carts or by head loads and the contractor cannot claim any compensation on that account.

On receipt of communication of the acceptance of tender the tenderer will be required to deposit a sum of Rs. 500 for item 1 and Rs. 100 for every one of item 2 and sign an agreement with the Department to guarantee satisfactory execution of the contract.

The accepted tenderer should arrange to have one of his representatives in each of stores named above to take instructions regarding the items of materials to be carted and the number of carts to be supplied within the shortest notice not exceeding 24 hours. In case of failure the Department will make their own arrangements for carting the materials and any extra cost incurred by the Department will be recovered from the contractor.

Contract will also be liable to be terminated at the discretion of the Chief Electrical Engineer, if the conditions of the contractor are not fully complied with and the earnest money deposited will be forfeited to Government.

In all cases of dispute the decision of the Chief Electrical Engineer will be final.

C. M. CARIAPA,
Chief Electrical Engineer.
